***Allowable Subject Matter***

Claims 44-52 are allowed.

The following is an examiner's statement of reasons for allowance:

Prior art of record fails to teach the limitations of claim 44 as recited in combination. More specifically, prior art fails to teach etching horizontal and vertical trenches, filling the trenches with insulative material to define a first grid and subsequently etching the insulative material to form a second grid within the first grid of a second material.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
